ప్రార్థన

సర్వేశ్వరా!

నా హృదయ దౌర్బల్యము తొలగింపుము.

సుఖ దుఃఖములను సమభావముతో
భరింపగల మనోబలమొసంగుము.

ప్రేమానురాగాలతో సేవలందించగల
శక్తినందించుము.

నిరుపేదలను తిరస్కరింపక, ధనాధికుల
ముందు మోకరిల్లక నిలుచు బలమునిమ్ము.

దైనందిన సమస్యలకతీతమైన
మనోనిర్మలత్వమొసంగుము.

నా సర్వస్వమూ అనురాగముతో
భవదాయత్తము చేయు మనోవాంఛ
ప్రసాదింపుము.

పతాక వందనం

మన జాతీయ పతాకానికి వందనం చేసి,

దానిపట్ల భక్తి విశ్వాసాలను వెల్లడిస్తున్నాము.

ఉత్తమ పౌరుని బాధ్యతలను నిర్వర్తించడంలో

ప్రతి ఒక్కరూ ప్రదర్శించే శ్రద్ధాసక్తుల మీద

దాని ప్రతిష్ఠ, ప్రాభవం ఆధారపడి ఉన్నాయి.

సువర్ణాక్షరాలతో లిఖించబడిన దాని పవిత్ర చరిత్ర

మన దేశానికి ఘన కీర్తిని సాధించేందుకు

మనకు ప్రోత్సాహ ప్రోద్బలాలను అందజేస్తుంది.

మన జాతీయ పతాకం పట్ల అచంచలమైన

విశ్వాసాన్ని ప్రకటిస్తూ అక్షరాలా అదే మార్గాన

నడుస్తామని,

ప్రతి ఒక్కరమూ దాని ప్రాభవ వైభవాలను

ఇతోధికం చేయడానికి అనువైన అవిరళ కృషిచేసి,

దేశదేశాలలో సగర్వంగా, సమున్నతంగా

అది ఎగిరేలా చేస్తామని ప్రతిజ్ఞ చేస్తున్నాము.

అందరమూ "ప్రపంచ శాంతిని" ఆకాంక్షిద్దాం!

ప్రపంచ శాంతిని కాంక్షిస్తూ
నేను శాంతిగా ఉంటానని,
అందరి శాంతిని కోరుకుంటానని,
అందరి శాంతికి సహకరిస్తానని,
ఎవరి శాంతిని భంగపరచనని ప్రతిజ్ఞ చేస్తున్నాను.

PRAYER

This is my prayer to
thee my Lord.

Strike, Strike at the root of
penury in my heart.

Give me the strength lightly
to bear my joys and sorrows.

Give me the strength
to make my love fruitful
in service.

Give me the strength never
to disown the poor.

Or bend my knees
before insolent might.

Give me the strength to raise
my mind above daily trifles.

And give me the strength to
surrender my strength
to thy will with love.

FLAG SALUTATION

We salute Our National Flag and pledge our allegiance to the same. Its honour and glory depend upon the zeal and assiduity with which each one of us will shoulder our responsibilities of a good citizen. Its glorious history written in Letters of gold, inspires us to put in good work for the fair name of our Country. We declare our unflinching loyalty to our National Flag and maintain that its course shall be that our course and that each individual amongst us shall make genuine efforts to add to its lustre and glory and make it fly proudly aloft in the comity of Nations.

THE FOUNDER OF OUR LIONS EMPIRE

MELVIN JONES
(13.01.1879 – 01.06.1961)

Melvin Jones was born on January 13, 1879 in Fort Thomas, Arizona, the son of a United States Army captain who commanded a troop of scouts. Later, his father was transferred and the family moved east. As a young man, Melvin Jones made his home in Chicago, Illinois, became associated with an insurance firm and in 1913 formed his own agency.

He soon joined the Business Circle, a businessmen's luncheon group, and was shortly elected secretary. This group was one of many at that time devoted solely to promoting the financial interests of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, then a 38-year-old Chicago business leader, had other plans.

"What if these men," Melvin Jones asked, "who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's clubs met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions Clubs International was born.

Melvin Jones eventually abandoned his insurance agency to devote himself full time to Lions at International Headquarters in Chicago. It was under his dynamic leadership that Lions clubs earned the prestige necessary to attract civic-minded members.

The association's founder was also recognized as a leader by those outside the association. One of his greatest honors was in 1945 when he represented Lions Clubs International as a consultant in San Francisco, California, at the organization of the United Nations.

Melvin Jones, the man whose personal code – "You can't get very far until you start doing something for somebody else" – became a guiding principle for public-spirited people the world over, died June 1, 1961 at 82 years of age.

LIONS CLUBS INTERNATIONAL PURPOSE

- To Organize, charter and supervise service clubs to be known as Lions clubs.
- To Coordinate the activities and standardize the administration of Lions clubs.
- To Create and foster a spirit of understanding among the peoples of the world.
- To Promote the principles of good government and good citizenship.
- To Take an active interest in the civic, cultural, social and moral welfare of the community.
- To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LIONS CLUBS CODE OF ETHICS

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

MISSION STATEMENT

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

VISION STATEMENT

To be the global leader in community and humanitarian service.

The Many Ways We Serve

This Year's Global Priorities

Specialty Clubs

While Lions serve a wide range of needs in their communities, more and more clubs are forming around a specific area of interest, a single cause or common background. Specialty clubs allow people to join a community that is specific to their situation and interests—growing membership and helping our organization do even greater good. See the difference at lionsclubs.org/SpecialtyClubs.

Members of all Ages

Our members represent every culture, background and generation. This year, we can strengthen our clubs—for today and tomorrow—by inviting young people and seniors to join us in service. This multi-generational approach is critical to unifying people, leveraging skills and experience, and making clubs a welcoming place for all. Strengthen your membership at lionsclubs.org/InviteMembers.

Global Causes

Our new global causes give Lions around the world new opportunities to unite so we can address some of the most pressing issues facing humanity. This year, we're encouraging all clubs to expand their service and use the resources available to them to make an even bigger difference in their communities. Find your cause at lionsclubs.org/GlobalCauses.

Service Journey

Learn, Discover, Act, Celebrate. These are the four steps of our new Service Journey, a comprehensive way for Lions to increase their service impact through access to resources supporting our global causes. Start your journey at lionsclubs.org/ServiceJourney.

Supporting Our Foundation

Campaign 100 is a three-year effort by Lions Clubs International Foundation to raise $US300 million, with the goal of empowering the service of Lions around the world. As we enter the second year of the campaign, we want to keep our momentum going by encouraging everyone to give what they can. Together, we can bring long-term change and lasting hope to the communities that need us most. Support our Foundation at lcif.org/Donate.

CHOOSE THE MEMBERSHIP THAT'S RIGHT FOR YOU

Lions clubs are composed of diverse people in communities in nearly every corner of the world. That's why we offer you several ways to become a Lion – and serve. Lions clubs offer volunteer programs for college students, kids, adults and families.

· **Regular Membership:** Are you interested in volunteer programs, community service and making our world a better place? Lions Clubs International (LCI) offers community members the opportunity to volunteer locally together as a group. Members are expected to meet membership requirements such as dues set by the club and LCI. Take the first step toward membership today – contact a local club and ask to be invited to a meeting.

· **Family Membership:** Looking for special volunteer programs and activities you can do with your family? Family membership allows relatives to volunteer together at a reduced dues rate. Family members must meet membership requirements, live in the same household and belong to the same club. Children cannot become members, but can participate in the Cub Program, which allows children under age 12 the opportunity to build a lifelong dedication to helping others. If more than one member of your family is joining a club, tell them you want to join as a family unit.

· **Student Membership:** Our student volunteer programs allow you to make new friends – and help others in your community at the same time. With a student membership, your dues are reduced. If you are enrolled in an educational institution and between the age of legal majority and 30, tell the club you are joining that you would like to take advantage of the Student Member Program dues discount.

· **Leo to Lion Membership.** If you are a current or former Leo club member between the age of legal majority and through age 30, take the opportunity to receive a dues discount and continue doing volunteer work with Lions Clubs International ... as a Lion!

RESHAPE PUBLIC OPINION & IMPROVE VISIBILITY :

Lions are doing more good in more places than any organization on earth.
That's why we're sharing our life-changing stories to highlight the value of our clubs to communities around the world.
When caring men and women see the work we do, we think they'll want to join us.

Leadership contains certain elements of good management, but it requires that you inspire, that you build durable trust. For an organization to be not just good but to win, leadership means evoking participation larger than the job description, commitment deeper than any job contract's wording.

WORLDWIDE WEEK OF SERVICE TO FIGHT HUNGER

Nearly 800 million people go to bed hungry every night. This January, join Lions around the world for a special Worldwide Week of Service dedicated to eliminating hunger in your community. This international event is a great opportunity to support our new global service framework, and our goal of serving 200 million people per year by 2021, by relieving hunger in your community.

Host a project to fight hunger in your community during January 8-14. Help stock a local food pantry, bag school lunches or distribute food to those who need it most. No matter how you choose to serve, be sure to join us for this Centennial service event!

WE SUPPORT YOUTH.

All young people deserve to have an education, feel cared for and experience healthy development so they can have the chance to achieve their dreams.

Through our positive youth development program, Lions Quest, LCIF is helping children learn to work together, make the positive decisions and serve their communities.

The Foundation also supports youth through constructing schools, youth centers and vocational training centers.

We provide disaster relief. Lions are often some of the first to arrive at a disaster to provide relief, and Foundation support is right there with them. We help devastated communities survive after disasters and bring hope by assisting in long-term efforts of rebuilding of homes and lives.

We address humanitarian needs. From working to combat global health issues such as measles and diabetes to empowering those with disabilities to lead more independent and fulfilling lives.

LCIF is dedicated to a range of humanitarian service projects. The Foundation continues to develop and expand programs that meet emerging needs worldwide.

Membership

Membership in the Lions Club is by "invitation only" as mandated by its constitution and by-laws. All member applicants need a sponsor who is an active member and of good standing in the club they intend to join. While sponsorship may be obtained by an applicant in order to become a legitimate member, sponsorship is no guarantee of membership. Acceptance of membership is still subject to the approval of the majority of the club's board of directors. Several clubs are even difficult for applicants to join in. A Lions Club chooses its members diligently as it requires time and financial commitments. Prospective applicants must be a person of good moral character in his or her community. Attendance at meetings is encouraged on a monthly or fortnightly basis. Due to the hierarchical nature of Lions Clubs International, members have the opportunity to advance from a local club to an office at the zone, district, multiple district, and international levels.

In 1987 the constitution of Lions Clubs International was amended to allow for women to become members.[16] Since then many clubs have admitted women, but some all-male clubs still exist. In 2003, 8 out of 17 members at the Lions Club in Worcester, England, resigned when a woman joined the club.[17] Despite this setback the club has managed to rebuild and now has 19 members, 7 of whom are women. Women's membership numbers continue to grow throughout the association.

Among the famous and noteworthy members of Lions International are former U.S. President, Jimmy Carter;[18] Her Royal Highness Sophie, Countess of Wessex, a member of the Wokingham Lions Club and Royal Patron of the Lions Clubs of the British Isles and Ireland;[19] Murray M. Silver, Jr, an American rock music writer, photographer and author, who belongs to Savannah Lions Club in Georgia; Amelia Earhart,[20] pioneer U. S. aviator, author, and advocate for women's rights; Richard E. Byrd,[21] deputy admiral of the United States Navy, aviator, pioneer and polar explorer; and Helen Keller, American writer, lecturer and social activist.[22]

Awards

Lions Clubs International gives various awards for outstanding merits.[23]

Medal of Merit

The Medal of Merit (MM) is the highest award from Lions Clubs International to non-members for outstanding contributions to Lions Clubs International and its goals.

District Governor Award

The District Governor Award (DGA) is one of the highest awards from Lions Clubs International to its members having done exceptional services.

President's Appreciation Award

The President's Appreciation Award (PAA) is the highest award that can be awarded to an outstanding club.

Melvin Jones Fellowship

The Melvin Jones Fellowship (MJF) Award is the highest recognition from the Lions Clubs International Foundation being given to members who have rendered outstanding community services.

As a Lion, you understand the difference your club makes in your community, and that's why it's important to help start new Lions clubs. But there may be more reasons than you can think of. Starting new clubs is important for the following reasons:

1. To Rejuvenate and Grow Membership
Starting new clubs grows active volunteers. Through extension, you:
• Cultivate new resources.
• Boost enthusiasm.
• Generate new and innovative ideas for service and fundraising projects.
• Build leadership skills and new leaders.
• Increase district funds for activities and projects.

2. Because Community is What We Make It
At the end of the day, it's what Lions do that matters. Starting new clubs:
• Gives communities currently without a Lions club the opportunity to respond to local needs.
• Provides an avenue for community and service-minded individuals to be involved in projects they care about.
• Readies more hands for service.

3. To Engage New Member Types
No two Lions clubs are alike, because no two people are alike. A new club:
• Allows members to establish a unique club culture.
• Persuades younger members to get involved, particularly when the club has a focus on community service projects and utilizes modern communication methods.
• Encourages family and women membership.
• Removes the uncomfortable issue of seniority and leadership felt by long-time members.
• Enables members with shared interests to form a Special Interest Lions club.

4. Because the Future of Lions Depends on It
We matter, because people know they can count on Lions to pitch in. With new Lions clubs we continue to:
• Enable more Lions to continue making a difference.
• Support the humanitarian work of Lions clubs through LCIF.
• Ensure our members remain as our most sustainable resource.
It's impossible to imagine that some communities are still without a Lions club. We became the world's largest service organization one club at a time, so begin your extension efforts today

What's in it for the New Member?

You can serve those less fortunate than yourself in an organized and effective way.

A Lions club offers every member the chance to learn leadership skills valuable in his or her business or professional life.

You will meet and work with influential leaders in government, business and the professions.

A Lion has many opportunities to learn and practice public speaking skills, not only within the club, but also by representing the club in the community.

Leadership opportunities exist not only at the club level, but at the district and international levels as well.

Because Lions is an international organization, with clubs in nearly 180 countries, members have the possibility of meeting and working with Lions from many countries at events like the annual international convention, area forums and even during business and leisure travel.

You will have the prestige of belonging to the worlds largest community service organization, one that takes on such ambitious challenges as SightFirst, which aims to largely eliminate preventable and reversible blindness worldwide.

You can enjoy friendship and fellowship with men and women who share your values and your commitment to the community.

Lions Projects That Serve Children

The problems children face vary in degree from country to country, but the need for health and education

services is constant and universal. Lions clubs help address these needs by developing service projects

to benefit children, including:

- Collecting food, clothes or books
- Organizing a vision or hearing screening
- Providing immunizations through a vaccination drive
- Starting a literacy program with a local school, library, community center or Leo club
- Supporting a nutritional program for undernourished children
- Securing wheelchairs for disabled children
- Sending a child with diabetes or physical challenges to a specialized camp

Lions have also constructed hospitals, schools, orphanages and children's centers throughout the world to serve children in need.

THE LIONS EMBLEM

At the 1919 convention, there was a move to change the symbol, but a young attorney from Denver, Colorado rose to speak. His name was Halsted Ritter. “The name Lions stands not only for fraternity, good fellowship, strength of character and purpose, but above all, its combination of L-I-O-N-S heralds to the country the true meaning of citizenship: LIBERTY, INTELLIGENCE, OUR NATION’S SAFETY.”

The January 1931 issue of THE LION Magazine featured this interpretation of the association’s name:

Our name was not selected at random, neither was it a coined name. From time immemorial, the lion has been the symbol of all that was good, and because of the symbolism that name was chosen. Four outstanding qualities – Courage, Strength, Activity and Fidelity – had largely to do with the adoption of the name. The last mentioned of these qualities, Fidelity, has a deep and peculiar significance for all Lions. The lion symbol has been a symbol of Fidelity through the ages and among all nations, ancient and modern. It stands for loyalty to a friend, loyalty to a principle, loyalty to a duty, loyalty to a trust.

The emblem consists of a gold letter “L” on a circular area. Bordering this is a circular area with two Lion profiles facing away from the center. The word “Lions” appears at the top and “International” at the bottom. The Lions face both past and future – showing both pride of heritage and confidence in the future.

Who may apply for an LCIF SightFirst grant?

Lions' districts (single, sub or multiple) work with their regional SightFirst technical advisor and the (multiple) disrict SightFirst chairperson and committee to assess local eye care needs and develop SightFirst grant project proposals. Completed applications must be signed and certified by the Technical Advisor, the district/multiple district's SightFirst chairperson and the district governor (or council chairperson in the case of multiple district-initiated applications). A list of Technical Advisors worldwide is available for reference. Read the SightFirst Executive Summary for information on the types of projects SightFirst supports.

What is the difference between a SightFirst project and a sight-related project?

Projects that receive LCIF SightFirst grants focus on the major causes of blindness at national, regional or international levels. These projects reach populations that are underserved or that have limited or no access to eye healthcare services. Sight-related projects focus on community needs rather than national or regional needs. Those projects, such as purchasing equipment for an eye clinic, for example, may qualify for an LCIF Standard Grant or International Assistance Grant. Other sight-related projects might include those which focus on a disease or program that is not a SightFirst funding priority (i.e. glaucoma or eye banking) or in which Lions in a developed country carry out programming in a developing country.

Who serves on the SightFirst Advisory Committee (SAC)?

The SAC is comprised of Lions leaders and global blindness prevention experts. The committee reviews and approves projects that may receive LCIF SightFirst grants and establishes policy for the program. The SAC reports all actions to the LCIF Board of Trustees.

"It gives us a great opportunity to work together as two nations, sharing the same projects."

- Greg Edgelow, USA

OUR LEADERS

Lions Clubs International develops leaders. Our leaders serve at every level of our organization and oversee everything from local membership to the organization's international direction.

- Our members have the opportunity to get involved in leading small projects and large initiatives.
- We organize Lions clubs into districts, and each district has a governor.
- Leading all of our clubs are our executive officers, who work with a dynamic board of international directors.

These leaders meet our commitments, maintain our mission and ensure our global impact. And, because they are Lions, all of our leaders are volunteers.

Lions Clubs International Foundation (LCIF) provides grant funding to assist Lions districts in developing and implementing large-scale humanitarian projects. These humanitarian grants help Lions expand their outreach and increase their impact within local and global communities to serve even more people in need around the world.

The Foundation provides support in four areas of service:

Preserving Sight

Serving Youth

Disaster Relief

Humanitarian Efforts

A Billion Dollars in Service

Millions of people around the world have benefited through more than 13,000 Foundation grants, which have totaled more than US$1 billion. That number continues to grow in part from gifts from foundations, corporations, governments and non-Lions. However, the vast majority of LCIF's funding comes through the generous donations from Lions clubs and individual members.

Grant Accomplishments

Through the generosity and hard work of Lions, our partners and supporters, LCIF was able to award 453 grants totalling more than US$45 million in fiscal year 2015-16. These international grants are helping thousands of people to have a better life. Look for more details on these international grants, and projects and individuals helped in our annual report.

Some of our accomplishments from fiscal year 2015-2016 include:

500,000 people helped through US$9,480,060 in disaster related grants

3,994,860 people helped through US$13,874,392 in humanitarian grants

19 countries expanded Lions Quest through US$1,437,287 in Core 4 grants

US$7,965,350 in grants supported the vaccination of millions of children against measles and rubella

US$12,994,255 in Sight First grants provided eye care services to more than 22,300,000 million people, improved 51 eye care facilities and/or trained 23,643 eye care professionals

The impact we make on their individual lives is at the heart of everything we do. Read stories from people directly affected by or involved in our work here.

HOW DO I REQUEST ASSISTANCE FROM THE LIONS FOR VISION, HEARING, FINANCIAL AID OR SPONSORSHIP?

The Lions programs are funded and administrated locally. To find a club serving your community, use the Club Locator link that appears at the top of home page. This is a directory of all active Lions clubs.

Please note: Not all clubs have a physical location, address or telephone number.

- Open the Club Locator link. In the Search bar enter only the name of the city. Select the "Search" button.

- A list of clubs will appear. Next to the Club President's name may appear an envelope icon. This is an e-mail template. Complete the entire form, describing in detail the assistance you seek.

HOW DO I DONATE EYEGLASSES AND WHAT DO THE LIONS ACCEPT?

The Lions accept new, used, prescription, non-prescription, eyeglasses, safety glasses and sunglasses. Broken or incomplete glasses are not accepted. Lions Clubs International does not have a recycling program for contact lenses.

Please note: Lions Clubs International headquarters and Lions clubs are legally prohibited from providing a tax receipt for your donation. They also may not suggest a Fair Market Value for glasses donated. We suggest contacting a licensed tax preparer in your community for a Fair Market Value determination.

Walmart Vision Centers

In the United States, you may deposit glasses in the eyeglass collection box at participating local Walmart Vision Centers. Donated glasses are routed to our regional Lions Eyeglass Recycling Centers, where they are processed and stored until needed.

Lions Quest

More than 15 million youth have been taught positive life skills through Lions Quest, our most comprehensive program for youth. Lions Quest unites the home, school and community to cultivate capable and healthy young people through positive youth development programs. More than 600,000 educators have been trained to implement the programs, which supports character development, social and emotional learning, civic values, violence and substance abuse prevention and service-learning.

Lions work with the schools to implement the program from kindergarten through 12th grade, and often partner on community service-learning projects.

The program has drawn rave reviews from educators and high ratings from government agencies. Over the past 30 years, program developers, school districts, universities and independent research firms have conducted program evaluations which indicate that the Lions Quest program improves achievement test scores, changes attitudes and beliefs regarding substance abuse and violence, lowers rates of disciplinary problems, lowers risk of dropping out of school and decreases use of alcohol, tobacco and other drugs.

Collaborative for Academic, Social, and Emotional Learning (CASEL) is the nation's leading organization advancing the development of academic, social and emotional competence for all students. CASEL has released its 2015 CASEL Guide: Effective Social and Emotional Learning Programs—Middle and High School Edition, which rates well-designed, evidence-based social and emotional learning programs used in middle and high schools. Lions Quest: Skills for Adolescence is one of nine programs that **received top honors**, earning a spot on the Guide's "SELect" list, meaning they had positive effects, such as improved academics and reduced problem behavior.

Continually expanding, Lions Quest is present in nearly 100 countries and program materials have been translated into 40 languages. This positive youth development program is having a huge, global impact; view a video about the program in India and read stories of those impacted.

You can also view videos on LCIF's efforts to support youth and learn more about LCIF's partners.

Meetings have always played a central role in Lion life, providing the companionship and fun members value so much. From the start, Lion meetings have served as the launching pad for service projects ranging from helping people who are visually impaired to providing disaster relief. That focus on service has been a constant over the years, even as meetings have evolved with the times.

In the association's early days in the 1920s and 1930s, club meetings included practical jokes and a broad humor. Tail Twisters, those masters of disruptive fun, strode through meetings snipping off neckties or cracking water-filled eggshells over members' heads.

After World War II, Lions expanded around the world and embraced many cultures, and by the 1980s women began joining the Lions. Some of the rough-and-tumble humor that marked the first decades was toned down as membership diversified. Today's meetings are more streamlined and involve less horseplay, but they still feature plenty of singing, socializing, games and bits of silliness.

Members of the Alum Creek Lions Club in West Virginia have opened every meeting since the club's 1961 founding by singing, "Home on the Range." The Chilliwack Stellers Jay Lions Club in British Columbia, Canada, raises funds at some meetings with a game that involves tossing the dollar coin known as a "Loonie" into a toilet seat set up on the floor.

The Internet and members with tight schedules have had an effect on Lion meetings as well. Clubs can hold shorter meetings and provide routine information online. And some clubs convene online rather than in person.

As Lions clubs have spread around the world, club meetings have evolved to reflect local customs and naturally have a slightly different flavor when conducted in Asia, Europe, South America or Australia. Lions clubs in Switzerland don't do much singing, but in Japan and Indonesia they do. Hong Kong clubs sing traditional Lions songs, but their meetings also include Chinese blessings.

Even in a world where free time is scarce, meetings remain central to the Lion community. Lions take time after a busy day at work to go to a Lions meeting because meetings provide a "feeling that they belong, that they are connected to something larger than themselves," said William Berkowitz, professor emeritus of psychology at the University of Massachusetts at Lowell, in an interview with LION Magazine.

Meetings may change more in the future, but their value to members won't. Past International President Wayne Madden, who served from 2012 to 2013, told LION Magazine, "Being a Lion is so rewarding precisely because we serve alongside people we know and like and share similar values with."

Diversifying Our Service
Uniting Clubs and Communities Around the World

The world is facing many challenges. Natural disasters, famine and disease. Conflict, prejudice and greed. The unfortunate reality is that there will always be difficulties for us as global citizens to overcome. Yet, history has also shown the potential for creative and peaceful solutions to these problems, a path to a more harmonious existence.

While the problems may seem insurmountable when faced alone, we can all take comfort in our strength, our nearly 1.4 million Lions, and our incredible ability to engineer solutions.

Love. Compassion.
Inclusion. Connection.

Only through a diverse group of perspectives, including people of all backgrounds and all places, can we realize our full potential as Lions and serve the diverse needs of our communities, and the world. There's a reason we've each chosen to be a part of Lions Clubs International.

It's because we value the insight, the beliefs and the heart of others, and we realize the greater good that can only be achieved when we join together as one.

LCIF

Our funds come from individuals

Donations from 1.4+ million Lions in 210 countries and geographic areas provide the vast majority of the revenue received by LCIF, making the Foundation a leading humanitarian organization. Lions know their donations matter and that funds entrusted to LCIF will support initiatives that impact communities and change lives.

We form lasting and successful partnerships

LCIF leverages the donations we receive through effective partnerships with other foundations, corporations and governments on the local, national and international level. We are proud that LCIF was named the #1 non-governmental organization worldwide with which to partner, according to a 2007 *Financial Times* independent survey.

We have key areas of service

To support Lions' mission of serving communities and meeting humanitarian needs, LCIF provides grants in these focus areas:

- Saving Sight
- Serving Youth
- Providing Disaster Relief
- Meeting Humanitarian Needs

LCIF MISSION:

Every day, Lions Clubs International Foundation (LCIF) works to fulfill our mission:

"To support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants."

Since our founding in 1968 we have strived to sustain Lions' humanitarian service goals throughout the world, awarding over 13,000 grants totaling more than US$1 billion, in the four key areas of sight, youth, disaster relief and other humanitarian efforts.

We give sight. LCIF is providing vision for those in need all over the world by combating eye diseases, creating infrastructure to improve eye care delivery, increasing the number of trained eye care professionals and making vision care more equitable and sustainable.

We support youth. All young people deserve to have an education, feel cared for and experience healthy development so they can have the chance to achieve their dreams. Through our positive youth development program, Lions Quest, LCIF is helping children learn to work together, make positive decisions and serve their communities. The Foundation also supports youth through constructing schools, youth centers and vocational training centers.

We provide disaster relief. Lions are often some of the first to arrive at a disaster to provide relief, and Foundation support is right there with them. We help devastated communities survive after disasters and bring hope by assisting in long-term efforts of rebuilding of homes and lives.

We address humanitarian needs. From working to combat global health issues such as measles and diabetes to empowering those with disabilities to lead more independent and fulfilling lives, LCIF is dedicated to a range of humanitarian service projects. The Foundation continues to develop and expand programs that meet emerging needs worldwide.

FACTS ABOUT BLOOD NEEDS

Every year our nation requires about 5 Crore units of blood, out of which only a meager 2.5 Crore units of blood are available.

The gift of blood is the gift of life. There is no substitute for human blood.

Every two seconds someone needs blood.

More than 38,000 blood donations are needed every day. A total of 30 million blood components are transfused each year.

The average red blood cell transfusion is approximately 3 pints.The blood type most often requested by hospitals is Type O.

Sickle cell patients can require frequent blood transfusions throughout their lives.

More than 1 million new people are diagnosed with cancer each year. Many of them will need blood, sometimes daily, during their chemotherapy treatment. A single car accident victim can require as many as 100 units of blood

LIONS CLUBS JOIN HANDS WITH AKSHAYA PATRA

Lions Clubs in India partner with The Akshaya Patra Foundation

The world's largest service organisation, Lions Clubs International is celebrating 100 years of existence.

Lions motto is **'We serve'.**

In the centennial year Lions Clubs in India have pledged to support the mission of The Akshaya Patra Foundation in providing nutritious mid-day meals to school going children.

Today Akshay Patra provides 1.6 million meals per day in 26 locations across the country. They would like to reach out these meals to **5 million children by 2020**.

With this partnership, this dream could soon be realised.
You, as a lion member, can be a part of this endeavour by sponsoring these meals.

Every day, Lions Clubs International Foundation (LCIF) works to fulfill our mission: "To support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants."

Since our founding in 1968 we have strived to sustain Lions' humanitarian service goals throughout the world, awarding over 12,000 grants totaling more than US$900 million, in the four key areas of sight, youth, disaster relief and other humanitarian efforts.

We give sight. LCIF is providing vision for those in need all over the world by combating eye diseases, creating infrastructure to improve eye care delivery, increasing the number of trained eye care professionals and making vision care more equitable and sustainable.

Lionism in India

It was in about 1966-67 that the 5 (five) sub-district of Multiple District 304 were again bifurcated into 11 (eleven) sub-district, with eleven District Governors in place of five District Governors. Originally there was one District in 1956-57.

Groomed by Late Minoo J. D. Engineer his son Lion Vispy Engineer took over as South Asian Secretary in the 20th Year of Lionism in India, followed by Lion Neville Mehta after his death till date.

Indeed Lionism in India is a great superstructure built on the foundation so well and truly in 1956.In India we have so far 30 elected Past International Directors, three International Presidents PMJF LION Dr.Naresh Aggarwal(2017-18) MJF Lion Dr. Ashok Mehta (2005-06) and MJF Lion Rohit C. Mehta(1992-93)

"Alone we can do so little,
together we can do so much."

—Helen Keller

We support youth**.** All young people deserve to have an education, feel cared for and experience healthy development so they can have the chance to achieve their dreams. Through our positive youth development program, Lions Quest, LCIF is helping children learn to work together, make positive decisions and serve their communities. The Foundation also supports youth through constructing schools, youth centers and vocational training centers. We provide disaster relief. Lions are often some of the first to arrive at a disaster to provide relief, and Foundation support is right there with them. We help devastated communities survive after disasters and bring hope by assisting in long-term efforts of rebuilding of homes and lives. We address humanitarian needs. From working to combat global health issues such as measles and diabetes to empowering those with disabilities to lead more independent and fulfilling lives, LCIF is dedicated to a range of humanitarian service projects. The Foundation continues to develop and expand programs that meet emerging needs worldwide.

Should contributions be accumulated and periodically sent to LCIF?

Funds should be forwarded without delay. Doing so ensures prompt crediting of the donor's record and issuance of LCIF recognition and awards. In addition, checks held for an extended period become dated, sometimes requiring a new check from the donor.

Are there donor reports available from LCIF?

The types of reports available are listed online and can be requested from the Donor Assistance department

FACTS ABOUT BLOOD AND ITS COMPONENTS

Blood makes up about 7 percent of your body's weight.

There are four types of transfusable products that can be derived from blood: red cells, platelets, plasma and cryoprecipitate. Typically, two or three of these are produced from a unit of donated whole blood hence each donation can help save up to three lives.

Donors can give either whole blood or specific blood components only. The process of donating specific blood components – red cells, plasma or platelets is called apheresis.

One transfusion dose of platelets can be obtained through one apheresis donation of platelets or by combining the platelets derived from five whole blood donations.

Donated platelets must be used within five days of collection.

Healthy bone marrow makes a constant supply of red cells, plasma and platelets. The body will replenish the elements given during a blood donation some in a matter of hours and others in a matter of weeks.

LIONISM IN INDIA

Comdr. Kaiki B. Godrej and Noshir N. Pundole, then Deputy Chief Commissioner for All India Boy Scouts Association, were guests of the Lions of Saxton who entertained the Indian Scouts and it was then that whilst thanking Lion Robert Williams and presenting him an Indian scout turban, that the prophetic words uttered by Noshir Pundole: “It would be a great day for India when the Lions movement is ushered in our Country” Noshir N. Pundole and Comdr. Kaiki B. Godrej heard about movement there from the horse’s mouth and also brought some literature on Lionism to India.

Thereafter once again Noshir Khan took up the issue and corresponded with Lion Robert Williams, who, in turn, corresponded with Lions International, as a result of which in 1956 Lions International to establish Lionism in India sent Lion Shafeec A. Mansour, International Delegate Overseas. He contacted late Noshir K.J. Khan and Comdr. Kaiki Godrej. Noshir Khan had gathered 20 prospective members in Bombay, with whom the first Lions Club in India was formed in Bombay on February 3, 1956. Lion Noshir Pundole became the first President.

Similarly Comdr. Godrej had gathered 20 Prospective members in Delhi, with whom the second Lions Club in India was formed on February 4, 1956. It is a history recorded in purple and gold that the far flung Lions Club of Saxton was the sponsor of these premier Lions Clubs in India. At the time of the Charter, both these Clubs were presented Lions Banners, by the Lions Club of Saxton. The Lions Club of Delhi, organized entirely with the initiative of Comdr. Kaiki B. Godrej, was presented charter on February 11, 1956 and the Lions Club of Bombay (Host) organized entirely by Noshir Khan was presented charter on February 14, 1956.

Similarly, another nucleus was formed in the North by Lion Comdr. Kaiki B. Godrej {who was then at Naval Headquarters, Delhi}, with the help of Lions Devi Datt and M.K. Menon, who worked to form Lions Clubs in the northern part of India. After a year Lion Shafeec Mansour returned to India to organize clubs as mentioned above.

Lion Rohit C. Mehta was appointed Second District Governor for two years 1959-60 & 1960-61 for District 304. At this time Lion Minoo J.D. engineer brought but the first publication of District 304 called The Indian Lion which in its first year won an international award at the International Convention held at Chicago. It was known as the Leo Award, given to the District and/or Multiple District that brought out the best publication, judged from entries around the world.

LIONISM IN INDIA

It must also be recorded here that all this was done when District 304 was not divided into four Sub District North, South, East and West. It may also be recorded that during this whole period Jehangir D. Surti was the Cabinet Treasurer.

Lion Noshir Pundole was asked to become the Asian Secretary and started working from a small office at Flora Foundation. Later this office was shifted to India House, Kemp's Corner. Later Lion Minoo J. D. Engineer, who retired from a very successful business career, was requested by Lions International to become a part-time representative of the Association. Later he was joined by Lion Rusi B.Gimi who worked in the eastern part of India.

Lion Noshir Pundole resigned his post as Asian Secretary to become the International Director and Lion Minoo J.D. Engineer was requested by Lions International to become the Asian Secretary. Some time later, Lion Rusi B. Gimi retired.

Lion Minoo J.D. Engineer expanded the working of the Secretariat and, for the first time, items bearing the Lions emblem were locally manufactured and made available for sale to Indian Lion members; similarly, New Member Kits and other required material were locally manufactured and Lion Minoo J.D. Engineer made the Secretariat into a distribution center for almost half the world.

Lion Minoo J. D. Engineer worked tirelessly night and day for the growth of Lionism. His services were well appreciated by Lions International and he became the highest decorated Lion with 16 International Presidents Awards and 12 International President Gold Extensions Awards. In 1972 the Association presented him the highest award given to any Lion, namely the Ambassador of Goodwill Award. He was the first Lion from India to receive this award. Lion Minoo J. D. Engineer was also the first Lion from India to become a Melvin Jones Fellow.

Lion Rohit C, Mehta became the second International Director from India for the period 1970 to 1972. He was the third Lion from India to receive the Ambassador of Goodwill Award. Lion Sohrab K. Kahn was the second Lion from India to receive the Ambassador of Goodwill Award at the 1973 Convention in Miami.

When an individual's or group's personal donation(s) are accumulated for a club's or district's use to select a Melvin Jones Fellowship recipient, LCIF needs the signed consent. Please include such documentation with the completed MJF application that is sent to LCIF Donor Services.

For Melvin Jones Fellowship contributions or inquiries, contact LCIF Donor Services Department at 630-203-3836 or e-mail us. To apply for a fellowship, complete the MJF Application form.

Together, we will be able to serve more than 200 million people a year by 2021. Our goals are expansive and no individual Lion, club or district can take them on alone; but together, empowered by our global foundation, we can. Please support Campaign 100.

What started in two Clubs, with about fifty Lions in 1956 February, as the 68th Country to embrace the Lionism, is today has a strength of 6836 Clubs with 252497 Lions with India as the second country in the world of Lionism with U.S.A first and pushing Japan to third. Place. Anyone would be proud of this progress and achievements and pay homage to past Leaders and continue and carry on the progress in the future. The acorn has grown into an oak- it is for us Indian Lions to keep it growing perpetually to serve humanity and bring peace to this world.

Disaster Relief

When disaster strikes, we respond. We provide funding to address preparedness and immediate needs that allow Lions and their partners to be among the first on the scene in the wake of the world's most devastating hurricanes, earthquakes, floods and other disasters.

FAQs

I am interested in making a charitable donation to LCIF. What are the possibilities?

Charitable donations can be made by an individual or in the name of another person. We offer many forms of recognition and awards. For information on the types of LCIF donation and recognition programs, visit the Ways to Give section of the website.

What is the donation process?

Donations can be made online at www.lcif.org/donate or they can be sent to LCIF.

All US checks drafted on a US bank should be sent to:

Lions Clubs International Foundation
Department 4547
Carol Stream, IL 60122

Wires transfers should be sent to:

JP Morgan Chase, N.A.
10 S. Dearborn Street, Chicago, IL 60603
ABA Routing No. 021000021
Account Name: Lions Clubs International Foundation
Account No: 754487312
Swift International Banking No: CHASUS33

In countries where LCI has bank accounts, funds may be deposited in local currency. Be sure to check the association's official exchange rates, shown on monthly club statements. When submitting funds by local deposit, it is important to fax, mail or email to LCIF a copy of the bank deposit receipt and information regarding to whom the donation should be credited.

If funds meet the criteria for Melvin Jones Fellowship credit (donations made to general funds for supporting youth, meeting humanitarian needs, providing disaster relief, saving sight and the area of greatest need), MJF credit can be issued. Standard processing time for an MJF is two to four weeks. Many countries may charge customs and VAT charges on the importation of MJF plaques and other recognitions and awards. These fees are the responsibility of the individual or club locally receiving the items.

Do donations fund administrative expenses or do 100 percent of donations go toward program services?

Fiscal responsibility and transparency are important to LCIF. LCIF continues to ensure that all donated funds are used efficiently to help even more people. Donations fund short-term and long-term program expenses, including grants. Based on targeted investment returns, investment income is anticipated to be sufficient to cover projected administrative and development expenses.

How does LCIF compare to other charitable organizations?

LCIF prides itself on its longstanding record of quality projects. LCIF stands for quality (effective programs with excellent follow-up), efficiency and uniqueness (the only Lions foundation that serves the world). In fact, the foundation was named the #1 NGO to partner with for these reasons by the Financial Times.

LCIF has also earned its sixth consecutive 4-star rating from Charity Navigator for its effective fiscal management and its commitment to accountability and transparency. This 4-star rating indicates that LCIF consistently executes its mission in a fiscally responsible way. LCIF donors can be confident their donations are being used in support of the programs for which they are intended.

How can I learn more about LCIF's financial efficiency?

We appreciate the opportunity to share more about our finances and programs with you. You may view our most recent Annual Report. For more details on the past year's finances, view our Audited Financial Statement, or LCIF's tax return (form 990).

What are types of recognition available?

There are several types of recognition available depending upon the type of donation given. These recognitions are mailed to the donor. Note that many countries may charge customs and VAT charges for the importation of plaques. These fees are the responsibility of the individual or club locally receiving the plaque.

TOUCHSTONE STORY

The Business Circle of Chicago, formed in 1908, would never be the same after insurance agency owner Melvin Jones joined the modest-sized club in 1913. Jones had an idea that business luncheon clubs, such as the Business Circle, should focus on serving their communities. Soon, he began working to connect his club with other like-minded clubs around the United States.

By June 1917, Jones had helped to establish a new organization that would change the lives of millions around the world: Lions Clubs International. Jones' club joined the movement two months later. Since renamed the Chicago Central Lions Club, it has been an enthusiastic and dedicated supporter of the Lions mission of service ever since.

"We're continuing the great legacy of Melvin Jones and his vision," said Richard Carlson, past president of the Chicago Central Lions Club.

Since 1999, the club has collected more than 50,000 eyeglasses for the Lions' Recycle for Sight program. Members also periodically provide eyeglasses and hearing aids to the homeless in downtown Chicago, in addition to other service and fundraising programs. The Chicago Central Lions Club has a firsthand perspective on Lions' work for the visually impaired. Five of its 32 members as of 2015 were blind.

Lions of India can just be proud today, not only for its number , but also for the most humanitarian services rendered, reckoned in rupees which would come to several crores not only in the total period, but year after year not considering the human sacrifice of men, money and material on the part of Lions themselves. One has not only to bear the International Lion Dignitaries speak laudably about this, but should one be fortunate to attend an International Convention where the appreciation is showered on Indian Lions by the Lions of the World so freely and generously that it will make us shout " It's great to be a Lion" humbly but sincerely.

Volunteer Benefits

Becoming a Lions club member gives you the opportunity to volunteer locally, or internationally. Make new friends and professional connections. Lead projects that make your community a better place to live. Have fun doing it!

Below is a sample of what Lions club members from around the world have to say about volunteer benefits.

Community Service

"You see the joy in people's hearts and they say thank you, and the smile of a child. It's all those things that make you realize you've done something for your community."
Viv Grater, South Africa

"For the mere satisfaction that I get in my heart and for the service we're providing the less fortunate people, I'm really proud to be a Lion."
David Mutayisa, Uganda

Fun and Friendship

"We are not just Lions, we are not just friends, we are family."
Karen Piper-Taylor, Trinidad
"Helping people is fun. And, anytime you can get together with more than one person it makes it even more fun."
Jeff Gans, USA

Leadership Skills

"The personal development opportunities are endless. I get to use and develop my talents in public relations, but I also learn how to interact in a board meeting."
Brindisi Chan, USA

"Given the opportunity to be a leader in the Lions club has motivated me to become more organized. It's like leading your own business."
Keith Gaydosh, USA

OUR STRATEGY

Lions organize SightFirst projects in partnership with local health authorities, eye care professionals and other non-governmental organizations. Lions are actively involved in project management, fundraising, advocacy, coordination of outreach events and publicity. SightFirst projects employ one or more of the following strategies:

Delivering eye care services
Training eye care professionals and management personnel
Upgrading the infrastructure of existing eye care systems
Improving access to education and rehabilitation for persons who are blind or visually impaired
Increasing public awareness of the importance of eye health

OUR VALUES

SightFirst supports the development of comprehensive eye care systems that provide preventative and diagnostic services and treatment for all relevant eye diseases as well as rehabilitation for those with irreversible blindness or low vision.

SightFirst prioritizes aid to underserved populations unable to access eye care, education and/or rehabilitation because of economic, social or geographic barriers.
SightFirst delivers equitable, high-quality eye care and rehabilitation services.
SightFirst creates sustainable eye care systems by improving existing infrastructure and training local personnel to provide cost-effective services.
SightFirst is data-driven, determining project feasibility through the analysis of surveys and assessing project integrity through regular monitoring and evaluation.

"The challenge of leadership is to be strong, but not rude; be kind, but not weak; be bold, but not bully; be thoughtful, but not lazy; be humble, but not timid; be proud, but not arrogant; havehumor, but without folly."

Vision

We are a world leader in the effort to prevent avoidable blindness, and we're diligently working with Lions clubs and local partners to help provide the local capacity building, training, medications and treatment needed for those with eye diseases and to provide disability rehabilitation and education for all.

A good leader has an exemplary character. It is of utmost importance that a leader is trustworthy to lead others. A leader needs to be trusted and be known to live their life with honesty and integrity. A good leader "walks the talk" and in doing so earns the right to have responsibility for others. True authority is born from respect for the good character and trustworthiness of the person who leads.

HISTORY

In 1917, Melvin Jones, a 38-year-old Chicago business leader, told members of his local business club they should reach beyond business issues and address the betterment of their communities and the world. Jones' group, the Business Circle of Chicago, agreed.

After contacting similar groups around the United States, an organizational meeting was held on June 7, 1917, in Chicago, Illinois, USA. The new group took the name of one of the invited groups, the "Association of Lions Clubs," and a national convention was held in Dallas, Texas, USA in October of that year. A constitution, by-laws, objects and a code of ethics were approved.

Within three years, Lions became an international organization. Since then, we've earned high marks for both integrity and transparency. We're a well-run organization with a steady vision, a clear mission, and a long – and proud – history.

HELEN KELLER'S SPEECH

Try to imagine how you would feel if you lost your sight tomorrow. Picture yourself stumbling and groping at noonday as in the night, your work, your independence gone!

In that dark hour wouldn't your heart cry out for a friend to teach you how to live in the dark?

That is just the kind of friend the American Foundation for the Blind will be to all the blind if people with sight will only give it the support it must have.

Adequately financed, it will help the blind in every emergency of their lives.

U have heard how I was taught—how a little word from the fingers of another, a ray of light from another soul touched the darkness of my mind, and I found myself, found the world, and found God!

It is because my teacher cared about me and broke through the dark, silent imprisonment which held me that I am able to work for myself and for others.

If you care, if we can make the people of this great country care, the blind will triumph over blindness.

This is the opportunity I offer you, Lions—to foster and sponsor the work of the American Foundation for the Blind.

Will you not help me hasten the day when there shall be no preventable blindness, no little deaf blind child untaught, no blind man or woman unaided?

I appeal to you, Lions—you who have your sight, your hearing, you who are strong and brave and kind—will you not constitute yourselves Knights of the Blind in my crusade against darkness?

CEREMONY FOR INSTALLATION OF OFFICERS FOR LIONS CLUBS

NOTE: Before the meeting starts, the installing officer (probably the immediate past president of the club) should appoint an assistant. This *assistant* should become familiar with the diagram on page 5 and see to it that the incoming officers take their correct places in front of the dais.

Installing Officer :
"It is my honor today to install the officers of this club for the coming fiscal year.
Lion Secretary, have the officers to be installed been properly elected to their respective offices? (The secretary attests the election.) It is not my intention to instruct them in detail in their various duties. Their names will be filed in the office of Lions Clubs International, from which they will receive information and suggestions for carrying out their various duties. I know they can be depended upon to read and study this informative material carefully, and to execute their duties faithfully."
"I shall, however, call each officer to the dais, and briefly outline (his/her) duties in the club, so that all members may know what to expect."
(The Lion Tamer is called and takes a place in front of the dais a little to the right of the speaker—see diagram.)

Installing Officer :
"Lion----------, you have been elected to serve as Lion Tamer. As such you will be in charge of and responsible for the club's property. You will see to it that the flags, gong, gavel and badge boards are properly placed, that the standard organization chart is displayed conspicuously at every meeting; and that all materials are properly distributed. You are to assist the past presidents as the official greeters, always welcome and introduce all guests and see that places are provided for all. Will you perform these duties to the best of your ability?" Lion Tamer "I will."
(The Tail Twister is called and takes a place next to the Lion Tamer—see diagram.)

Installing Officer :
"Lion_____**,** you have been elected to serve as Tail Twister. As such you shall maintain harmony, and encourage good feelings, life and enthusiasm in the meetings. You shall impose and collect the fines at the meetings (and shall use your best judgment when doing so). Much of the success of the meetings will depend upon your resourcefulness in promoting fellowship, fun and laughter, making the members forget, for a time at least, their business and any worries they may have.
Thus you will break down any reserve which might exist, and draw the members together in closer friendship. Will you perform these duties to the best of your ability?"
Tail Twister: "I will."
(Four directors are then called and take their places to the left of the speaker—see diagram.)

Installing Officer :
"Lions _____ **and** _____ **,** you still have one year to serve as directors.
Lions _____ and _____ you have been elected to serve as directors on the board two years. With the other officers, you form what is

termed the board of directors of the club. Your position is important because you will assist in formulating and executing the policies of the club. All new business is considered and shaped by this board of directors.
"You will faithfully attend the regular and special meetings of the board, and give unselfishly of your time and effort to advance your club and Lions Clubs International. Will you perform these duties to the best of your abilities?"
Directors: "I will."
(The Membership Director is called and takes place to the right of the speaker and in front of the Lion Tamer—see diagram.)

Installing Officer:
"Lion_____, you have been elected to serveas the club's Membership Director. You will lead the Membership Committee, and help them to develop and implement a growth program as approved by the club's board of directors. You will regularly report to the club and encourage and assist members in bringing qualified members into the club, always using proper recruitment methods. In addition, you will work with the club's leadership in insuring that membership losses are kept at a minimum. You will also serve as a member of the zone level membership committee and cooperate generally with programs at the district level. Will you perform these duties to the best of your ability?"
Membership Director: "I will."
(Vice-presidents are called next and take their places between the directors and the Tail Twister—see diagram.)

Installing Officer:
"Lions (third vice-president, second vice-president and first vice-president), you have been elected to serve as vice presidents. What I have just said about the duties of the directors also applies to you. In addition, you, in order of your office and presence, will substitute for the president when absent from any club or board of directors meeting. "Your position is more than an honorary one. In a Lions club, the vice-presidents shall, under direction of the president, oversee the functioning of such committees as the president may designate.
"Will you, as vice-presidents, perform your duties to the best of your abilities?"
Vice-presidents: "I will."
(Treasurer is then called and takes a place just in front of the third vice-president—see diagram.)

Installing Officer:
"Lion_____you have been elected to serve as treasurer. As such you will be custodian of all club funds. Naturally you will deposit all monies received in such bank or banks as are designated by the board of directors. You will assist the finance committee in preparing a budget and such financial statements as may be necessary. You will disburse funds only upon direction of the board of directors. You will give bond for the faithful performance of your duties; this is for your own protection and in keeping with recognized and accepted business procedure. Will you, as treasurer, perform your duties to the best of your ability?"
Treasurer: "I will."
(Secretary is then called and takes a place beside the treasurer, in front of the first vicepresident—see diagram.)

Installing Officer:
"Lion_____, you have been elected to serve your club as secretary. Yours is one of the most important offices in the club. The success of your club will be determined largely by the efficiency with which you perform the duties of your office. You are the president's right hand. Under the president's direction and that of the board of directors, you are the liaison officer between your club and Lions Clubs International and between your club and your district governor's organization. You will receive many communications from both. Through you, in the post of corresponding officer, it will be your duty to see that all communications are properly referred to your board of directors or your club as circumstances require or justify.

"Among your duties as provided in the Lions Clubs International Constitution and By-laws, you shall submit regular Monthly Membership Reports to Lions Clubs International, with copies to our district governor and vice district governor. You shall keep the general club records, including minutes of club and board meetings, committee appointments, officers' list, attendance records, list of key members and list of members showing their classifications, addresses and telephone numbers. You shall collect from the members, and others, all monies due the club, turning such funds over to the treasurer, taking proper receipt. "You shall furnish a fmancial statement to the board of directors monthly, to the club quarterly, and to Lions Clubs International semi-annually. As part of your monthly report to the board, you shall include the names of all members who are in arrears in payment of dues and those who have absented themselves beyond the attendance requirement provided in the Constitution and By-laws.

"You are also an active member of the district governor's advisory committee and as such you will attend the quarterly advisory committee meetings of your zone. You will receive pertinent information from Lions Clubs International intended to aid you in properly performing the duties of your office. Will you, as secretary, perform such duties to the best of your ability?"
Secretary: "I will."
(The president is then called and takes a place between the secretary and the treasurer, two or three steps in front of them—see diagram.)

Installing Officer:
"Lion_____,having been elected to the office of president of your club, you are its chief executive officer and will be expected to preside at all meetings of your club, and regular and special meetings of your board of directors.
"It is your duty to appoint the administrative and activities committees, in accordance with the Lions International Club Standard Organization Plan, and to act as an ex-officio member of each of these committees. With your vice-presidents, you shall see to it that these committees function.
"You are also, with the club secretary, an active member of the district governor's advisory committee and as such you will attend the quarterly advisory committee meetings of your zone.
"Keep in mind that at the end of your term of office you will be called to give an account of your stewardship. Your record of achievement will then be history.

This record in years to come will be compared with the records of other presidents. Your club members will best decide your success. Now is the time to plan, and take steps to continue to build your club in every way possible so that it may be an example to other clubs, and a credit to the community, the district and to Lions Clubs International. Will you, as president, perform your duties to the best of your ability?"

Installing Officer

Installing Officer:
(Addresses members of the board of directors.)
"The policies and the achievements of this Lions club will depend largely upon **the** actions of the board of directors of which you are members.
"You shall authorize all expenditures. So may I, at this time, caution you not to create any indebtedness beyond the income of the club, nor disburse funds for purposes that are non-essential to the objects of the club.
"On your honor as Lions, do you individually and collect-ively promise to stand by this club, live with it and work with it throughout the coming year; to take such time as may be necessary to perform your official duties properly?"
Officers: " I do."

Installing Officer:
(Requests club membership to rise. Addresses club members.)
Lions, I want to call to your attention the fact that these Lions who have been entrusted by you with the club responsibilities for the coming year, have signified their intention to exert their very best personal efforts to make your Lions club the kind of organization it should be.
"It must be remembered that the only way in which these new officers can successfully carry on is for them to receive the fullest support of every individual member. As an individual, when requested by your president to serve on a committee, to perform some duty in Lions or to support your club in any way in which it will need your support, will you bear in mind that you members collectively elected these officers, and accordingly, will you pledge to support them actively at all times?"
Club members: "I do."

Installing Officer:
"It is now my great pleasure to declare these Lions duly installed into the respective offices to which they have been elected.
(Addresses president, presenting the gavel of the club):
"To you, Lion President, I hand this gavel, as a token of your club's esteem, love and confidence in you, and as your symbol of authority. On behalf of the membership of your club, I want to assure you to their readiness to follow your leadership during your term of office."
"And now Lion_____, it is my personal pleasure to congratulate you upon the honor your club has conferred in electing you as its chief executive, and to extend my very best wishes to you and this splendid club, for a most successful year under your leadership."
